produced by

Elite Bridal Events LLC

WITH SUCCESS COMES CHALLENGES

As our shows become larger and more successful, they become a challenge for us to keep exceeding your expectations and proving ourselves over and over with each show even though we started in 1989!

We are seeking your help in assisting us in meeting our challenges in the following ways:

- Please read all of our written communications to you about our show guidelines and policies.
- Please complete your exhibit set-up no later than 30 minutes prior to the beginning of the show. We will have to shut the load in area 30 minutes prior to the beginning of the show, so do not be left outside.
- Business can only be conducted in your booth . . . not in the aisle, at the front entrance or in front of your neighbor's booth!
- Order any needed items in advance: extra tables, carpet, electricity, etc.
- Do not break down or start loading out of the show prior to the posted closing time if you want to continue to exhibit in our shows.
- Please let us know ASAP of anyone soliciting you or walking the aisles distributing literature.
- Please let us know how we can better serve you!

Thank you for your help and good luck in the show!
